# ACE RAY KENNETH B. BAS

Manolo Fortich, Bukidnon, Philippines | arkikuii28@gmail.com | https://alazz420.github.io/Alazz420

## PROFESSIONAL SUMMARY

Versatile IT Graduate (BSIT) with over 7 years of combined experience in desktop troubleshooting, hardware maintenance, field device workflows, and client support. Proven track record of resolving complex account issues, maintaining database integrity, and providing clear, patient technical communication to end users. Adept at remote diagnostics, local network configurations, and daily data synchronization. Seeking remote Technical Support, Helpdesk, or Client-Facing Virtual Assistant roles.

## TECHNICAL & PROFESSIONAL SKILLS

**Technical Support & Helpdesk:** Desktop & OS Diagnostics (Windows 10/11), Hardware Troubleshooting, Peripheral Support, Remote Access Tools (AnyDesk, TeamViewer), Network & CCTV Setup.

**Network & IT Essentials:** LAN Connectivity, Router & IP Configurations, Antivirus Setup, System Updates & Maintenance.

**Database & Data Operations:** Database Record Verification, IT Inventory Logs, Field Device & Meter-Reading Gadget Workflows, Data Reconciliation.

**Client Support & Operations:** Customer Service, Conflict De-escalation, Patient Technical Communication, Consumer Inquiry Resolution.

**Core Software & Tools:** Microsoft Office Suite, Google Workspace, Email & Web Browsers.

## PROFESSIONAL EXPERIENCE

### Bukidnon Second Electric Cooperative (BUSECO)

**Billing Staff / Gadget Operations** *August 2020 – Present*

- Manage consumer inquiries, verify billing calculations, and execute account adjustments with a high standard of patience.
- Operate, configure, and troubleshoot field meter-reading gadgets and handheld terminals, executing daily data synchronization and record verification.
- Audit database entries and system logs to resolve billing anomalies and maintain data integrity.
- De-escalate customer complaints professionally, keeping end users informed throughout resolution workflows.

**IT Support Staff** *November 2017 – August 2020*

- Provided Tier 1 and Tier 2 desktop and network support, troubleshooting hardware, software, and local connectivity issues.
- Managed workstation setups, software installations, system updates, and antivirus security checks.
- Utilized remote desktop tools (AnyDesk, TeamViewer) and basic network utilities (ping, ipconfig) to isolate and resolve technical faults quickly.
- Maintained IT asset inventories, documented hardware deployments, and assisted staff with software applications.

### AGMA Technical Committee

**A/V & Technical Operations Member** *Continuous*

- Setup, monitor, and troubleshoot audio-visual and broadcast equipment during organizational events and assemblies.

### Freelance IT & Computer Technician

**Technician** *2026 – Present*

- Provide residential and small business IT services, including custom PC builds, laptop diagnostics, OS reinstallation, and network router/CCTV setups.

## EDUCATION

**Bachelor of Science in Information Technology (BSIT)**
